

Data Principles

Principle 1: We will obtain and process your information fairly.

Principle 2: We will keep it only for the purposes to provide you with our information and services and for any lawful purposes.

Principle 3: We will process it only in ways compatible with the purposes for which it was given.

Principle 4: We will keep it safe and secure.

Principle 5: We can give you a copy of personal data kept by you on your request.

Principle 6: You can opt out from processing your information after services have been provided and legal requirements are met.

Principle 7: We will not share your information with any outside marketing company.

Principle 8: We conform and comply with the GDPR
